PEDRO ESCOBEDO

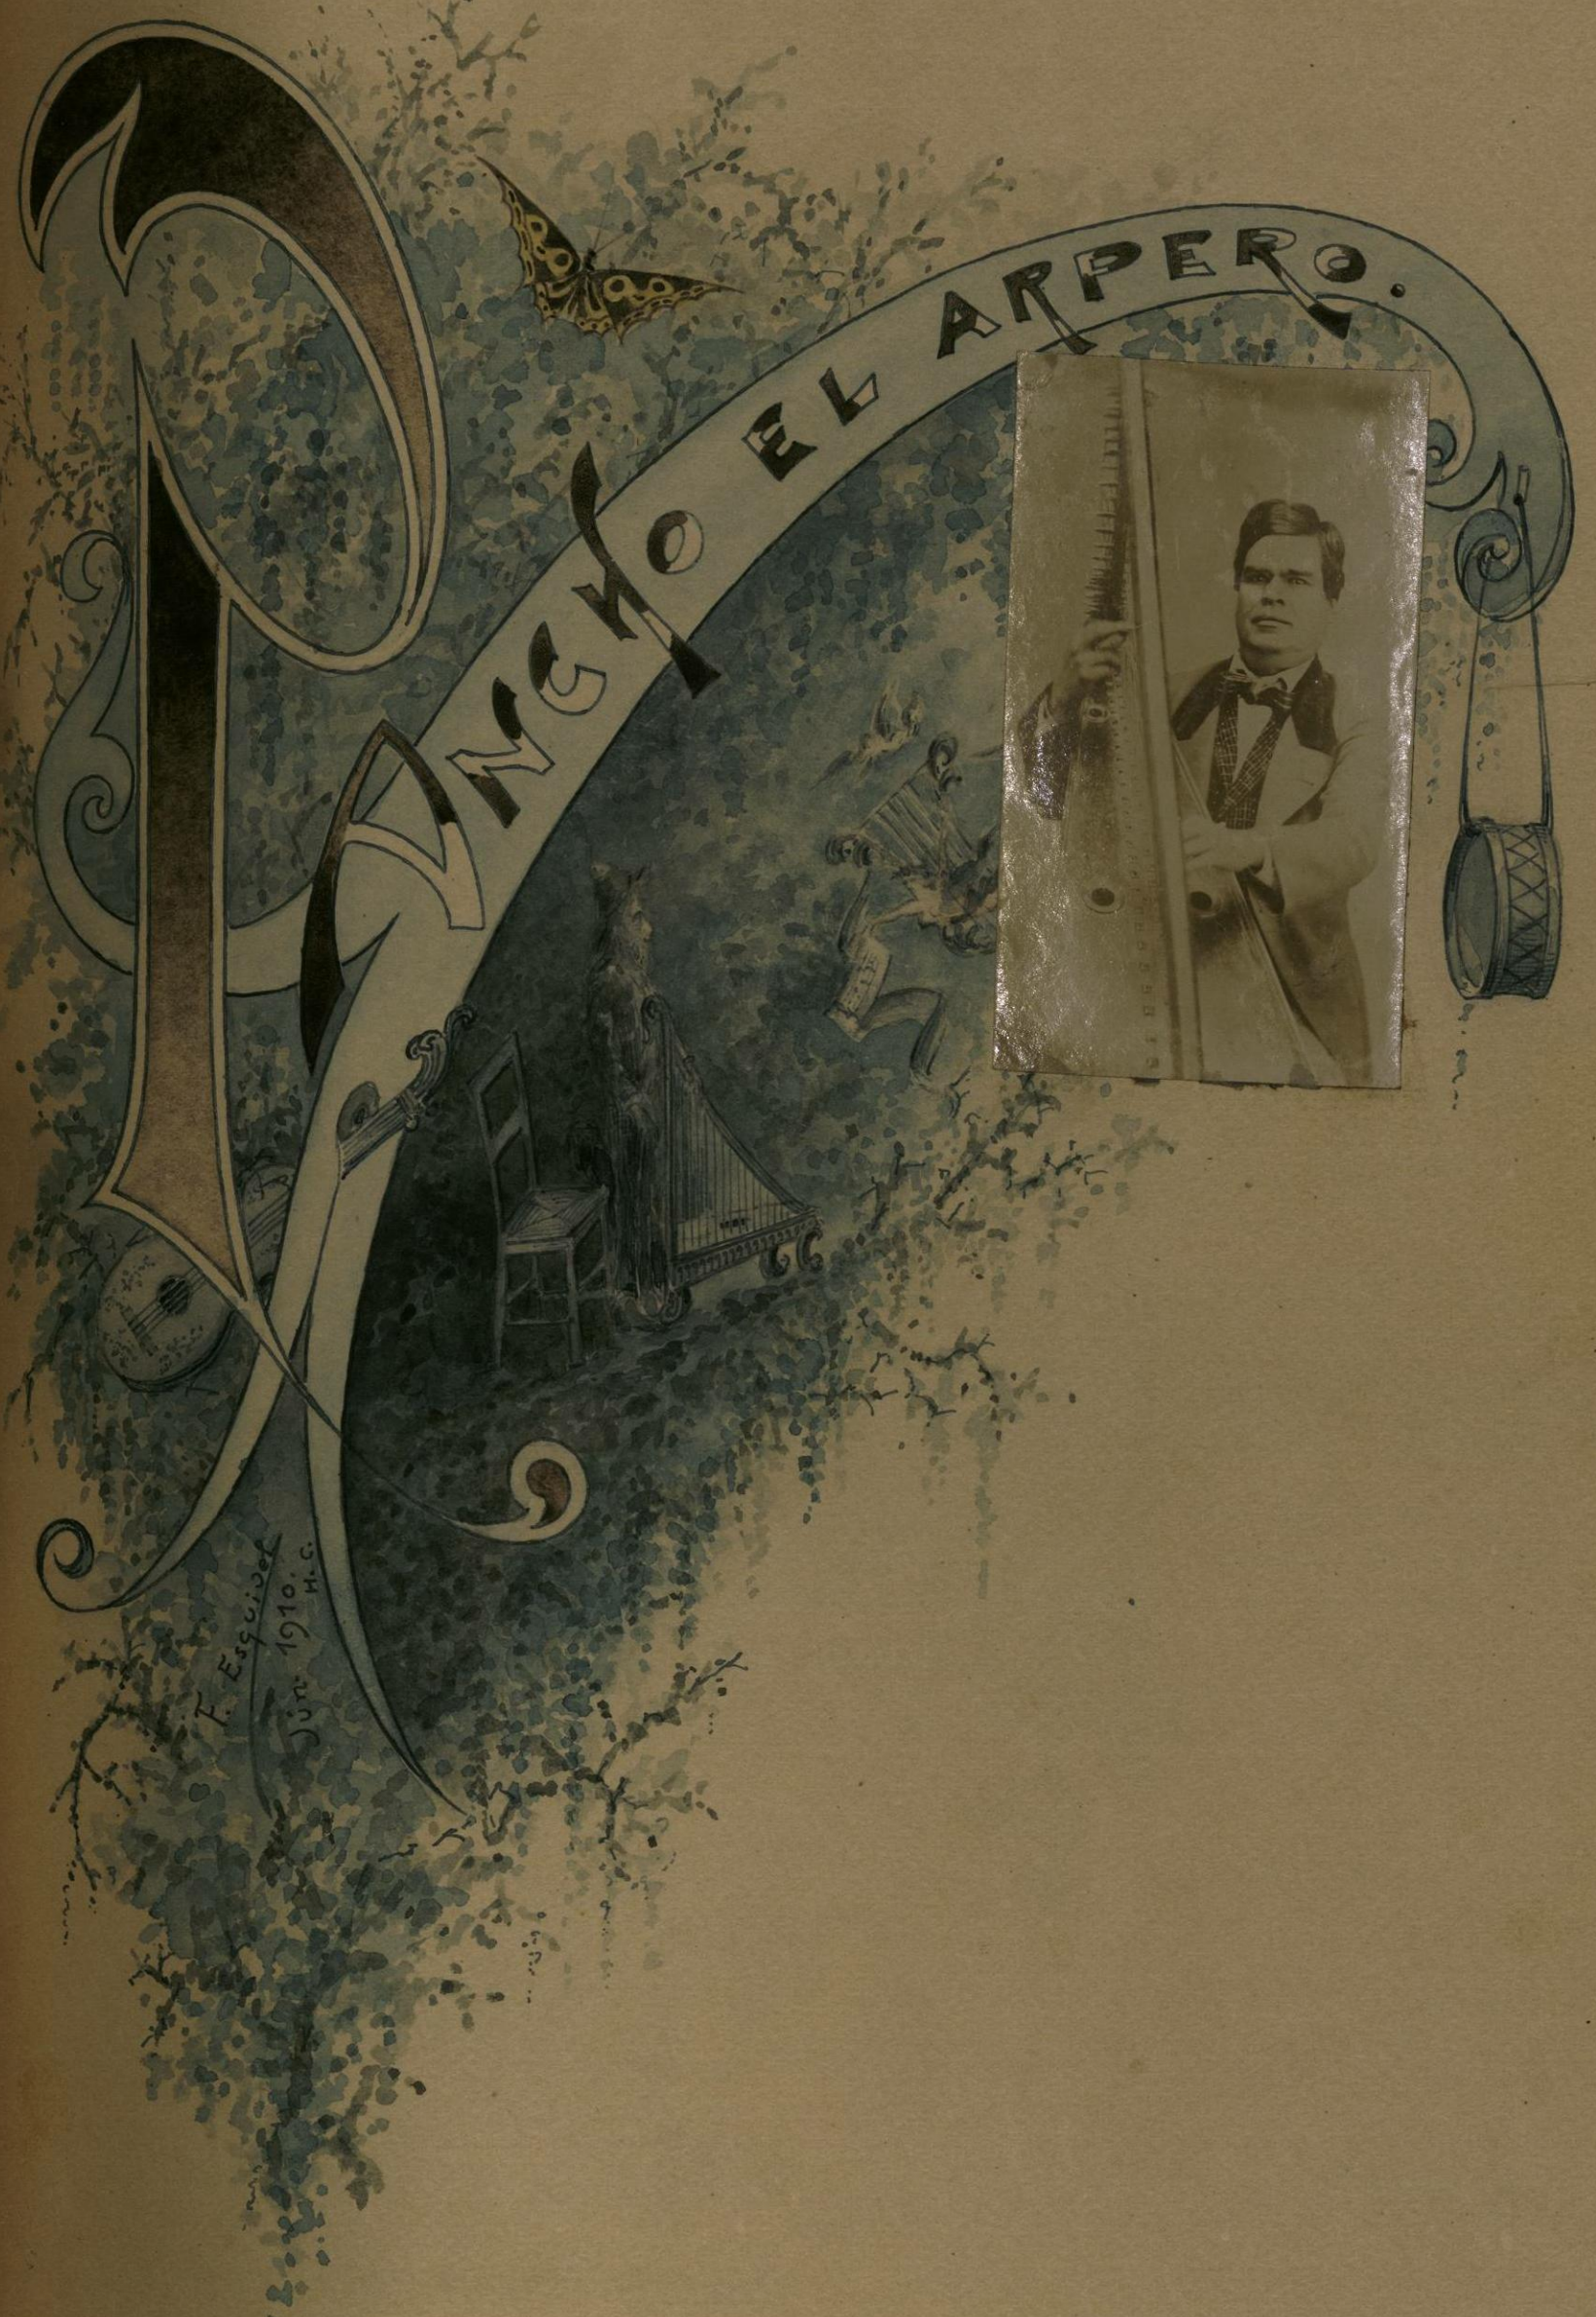

The illustration is a highly decorative title page for a book. The text 'El Doctor' is at the top in a large, bold, serif font. Below it, 'VON' is written in a smaller, similar font. The name 'Pedro Escobedo' is the central focus, rendered in a very large, ornate, and stylized font with intricate flourishes. To the right of the name, the year '1911.' is printed. Below the name is an oval-framed portrait of a man with a high-collared coat and a white cravat. Underneath the portrait, the name 'PEDRO ESCOBEDO' is printed in a small, simple font. The entire composition is set against a background of dense, intricate line work that forms a decorative border and fills the space around the text and portrait.
