

bring me on a visit to your native country, the most wonderful both for its political institutions and for its natural productions.

You will greatly oblige me with an answer [and], believe me, My dear sir,

Your obedient servant,  
ALPHONSO CORTI,  
at Turin, Kingdom of Sardinia.

I enclose two short German articles of mine and two Italian ones of my friend Dr. d. Filippi, Professor of Zoology and Director of the Zool. Mus. here.

To Dr. Joseph Leidy,  
Philadelphia Academy of Sciences.

Unfortunately the answer of Professor Leidy to this letter could not be obtained.
